

IMAGINE A HEALTH CAREER WITH A DIFFERENCE

Urgent – Doctor required

Would you, or someone you know, like a position where you can make a real difference to the lives of people in Northern Vanuatu?

Medical Santo urgently requires a doctor for our Luganville clinic.

About the role

Medical Santo provides health services to the local community, expatriates and tourists.

Working with and for the local ni-Vanuatu people and within their culture, we seek a doctor to respond to a variety of medical conditions. The doctor's responsibilities will include, but are not limited to:

- Day to day clinical services, governance and continued development of the Medical Santo clinic
- Supporting the Service Manager in managing and coordinating medical and allied health staff, including specialist clinics and rural outreach visits.
- Mentor and maintain relationships with the local hospital and rural health staff.
- Supervising clinical staff and developing, directing, supporting and performance managing medical practitioners and students.

This a volunteer position for a minimum of six months to three years – some financial support is available and we will provide accommodation.

About you

We are seeking a Medical Practitioner registered in Australia or New Zealand, with developing country, acute or emergency remote area or foreign aid experience.

As the lead practitioner with Medical Santo, we will expect you to respect the Christian values of the Clinic by living and working according to these values and standards.

CHANGE LIVES NOW

If you or someone you know, have the right combination of clinical and leadership experience and are looking to work in a new culture, we would love to talk with you, contact us – volunteers@medicalsanto.com

There are few medical positions that offer the clinical variety this position will. Away from work, there is also much to explore around Vanuatu. Whether it's hiking through the wilderness, coastal activities along the beautiful beaches or exploring the amazing culture of the ni-Vanuatu community, you may never want to leave.

Medical Santo provides assessment and treatment for general medical conditions in our Luganville clinic. We also provide relief, support and monitoring for patients presenting with serious illness and facilitate further medical treatment or evacuation if required.
