# Medical Santo Clinical Practice Manager Needed Urgently

**Minimum commitment 6 months**

If you would like a position where everything you do will make a difference in the lives of a local community in Vanuatu, then this may be the role for you.

- Opportunity to change lives and make a real difference
- Lead a dedicated team
- Luganville based

Medical Santo has in the past ten years become well established in Luganville. During the COVID border closure the small but dedicated team were able to help approximately 10,000 people each year. We are dedicated to partnering with the local Government Health services and are assisting to work, mentor, educate and provide additional health services and resources.

This is a varied role and you will be involved in all aspects of the clinic from:-

- Hands on clinical assessment and involvement
- Day to day oversight and management of the clinic; emergency medical services; and health outreaches
- Being available after hours for on- call emergencies.

The ideal candidate will have:

- Masters Degree in Nursing (desirable but not essential)
- Achieved the level of Nurse Practitioner (desirable but not essential)
- Problem solving skills and experience working in low resource/remote situations
- Ability to manage people with care and compassion
- Referees who will support your suitability for this position
- Current passport or the ability to obtain one as soon as possible

As the local leader of Medical Santo, we will expect you to respect the Christian values of the Clinic by living and working according to these values and standards.

This position could be a two to three year stay with accommodation provided for you and your family.

For further information email your expression of interest and attach a copy of your CV/Resume.
info@medicalsanto.com

Note – This is a volunteer position that will be otherwise self-funded but some financial support will be available to the suitable long term applicant (eg 1 year or more).
